## Happy Hour!

For us Happy Hour isn't about the drinks! Here the beverages are complimentary to our patrons. That's why from 4:00 pm to 7:00 pm, Monday thru Friday, we offer you great food specials, and when you earn **50 pts** on your Triple Play Club card during Happy Hour you will be automatically entered for a chance to win a share of \$500.

For more information please visit one of our promotions booths.

# Get a Mug and Get Outta Town!

Got cabin fever? We've got the cure: we're sending 10 people, along with a guest of their choice packing! Start spreading the news... someone's going to NYC. Wish upon a star and you could end up in Disney World. **One lucky winner will be saying Aloha to Colorado and Aloha to Hawaii!** And we're adding more terrific destinations every day. Did we mention someone will be traveling to Washington DC?

So how do you do it? Every time you earn **250 slot points** on your Triple Play Club Card, during April and May, you earn an entry for a chance to win an all-expense paid trip for two somewhere in the United States. You can earn 5 entries a month for up to 10 entries. That's **TEN chances!!!** Yup, we're giving away TEN trips! And, so you can keep track at home, for each entry you'll take home a **collectors mug** emblazoned with the Triple Crown Logo and a US city. You can rub it for luck. Or you can just drink your coffee out of it.

Mark your calendar; the drawings for the trips will be **Saturday, June 7**, beginning at noon. And if that isn't exciting enough, we'll also be giving away cash the day of the drawings. Oh yeah, you could be standing there one minute winning a trip and then a few minutes later walking around with spending cash for your vacation. It just doesn't get any better!

So pack you wallet and get down to the Triple Crown and start earning points. Who knows, you could be packing your bags and heading outta Dodge in no time.

**Not a member of the Triple Play Club? It's easy and FREE!**
