Win a Trip to Paradise!

This Labor Day weekend is your chance to see where the majestic turquoise Caribbean sea meets white, cool, soft sand beaches. How do you get there?

By air of course! The Triple Crown Casinos is giving away 10 all-expense paid trips for two to the Mayan Riviera. All you have to do is earn **750 points** on your Triple Play Club Card between July 1 and August 31. Each 750 points you earn, qualifies you to be entered into the drawing on Labor Day* starting at 1:00pm.

And with the first 750 points, you get a savory barbeque rub. Earn a second 750 points and get a barbeque sauce that will set your taste buds into action.

What can be better than laying all day in a hammock or strolling the walkways lined with shops, silver, arts and crafts? Maybe experiencing great restaurants is on your list? Well, come on in to the Brass Ass, Midnight Rose or JP McGills to qualify for your chance to win a vacation in the Mayan Paradise.

*Limited to 2 entries per person per month. Entries must be redeemed during the same month earned. Must be present to win vacation. To be considered present, a player must earn at least 1 point on their Triple Play Club card the day of the drawing and must respond within 5 minutes of their name being called.
