COLORADO ESSENCE

The air is brisk, the breeze is cool and winter is right around the corner. Fall is nipping at our noses, and with the fall season comes the glorious transformation of the Colorado Aspens. To celebrate this magical moment in time, we invite you to the Triple Crown Casinos to get your very own golden aspen leaf, which has been paired with a silver leaflet.

Much like snowflakes, each aspen leaf is unique in its design and size. Imagine your own quaking leaves, emblazoned in 24 Karat gold and silver. What can be more spectacular? All you have to do is earn **1500 points** on your Triple Play Club card during the month of October and this special gift from the Rocky Mountains can be yours.

Limit one necklace per member, while supplies last.

Not a member of the Triple Play Club? It's easy and best of all, **FREE!**
