Football!  
Football!  
Football!

It's that time of year again, and we're kicking it off right during the September 8th Broncos vs. Raiders game. Starting this game, you can earn football squares every Sunday and Monday night by playing in a live poker game. During the football games, we will give away **\$250** each night and any monies that are not won, will be given away during the following week's game. **Brilliant!**

## CRUISIN' FOR POKER

Beginning October 1-December 29, for every 5 hours of live play, poker players will earn one entry to win a World Poker Tour Cruise for two from February 8th through February 15th. Following the \$2009 Freeroll tournament on New Year's Eve, we will randomly draw 6 winners throughout the rest of the night until 11:45pm. The top three players in hours played will **AUTOMATICALLY WIN** a cruise for two. Remember, you must be present to win and you must have at least 5 hours of live play to qualify. The top three players will not be included in the random drawings.
